## SOMEONE ELSE WAS DREAMING HIM <sup>(6)</sup>

---

PRESENTED WITH ECAS

19:30 BNNT (PL)

20:00 HAXAN CLOAK (UK)

20:50 POLE WITH VISUALS BY P.MA (DE/PT)

21:40 ATOM TM (DE)

Three artists performing impeccably produced music that draws on multiple sources of inspiration. The youngest is Haxan Cloak, with a dark, fractured sound featured on his new Tri Angle Records release, far more electronic than his previous work. pole presents his new live show, with a warm, stripped back, dubby sound that recalls his earliest productions. Atom <sup>TM</sup> (aka Senor Coconut) will perform a revamped version of his celebrated AV show. Polish act BNNT opens with a "sound-bombing" foyer concert.

*Trzech artystów, proponujących zróżnicowany repertuar i najwyższy poziom produkcji. Haxan Cloak ponownie nastraszy nas swoim mrocznym brzmieniem przy okazji promocji nowego albumu wydanego w Tri Angle. pole powraca z ciepłym, oszczędnym, dubowym brzmieniem, a Atom <sup>TM</sup> (aka Senor Coconut) ucieszy nas swoim znanym i cenionym AV Show. Na powitanie jednak zostaniemy zbombardowani dźwiękiem przez polską grupę BNNT.*
